

Elite

H O M E D E C O R

A decorative pattern of concentric circles, resembling wood grain or ripples, is located in the top-left corner of the page. The pattern consists of multiple overlapping semi-circular shapes, each made of fine, concentric lines. The circles are arranged in a grid-like fashion, with some shapes partially cut off by the edges of the frame. The lines are a light gray color, contrasting with the white background.

ABOUT ELITE

Our commitment: Delivering superior-quality wooden flooring and decor products.

Our focus: Building enduring partnerships with our clients, offering comprehensive design solutions.
